1973

Kenmore
High School
Akron, Ohio

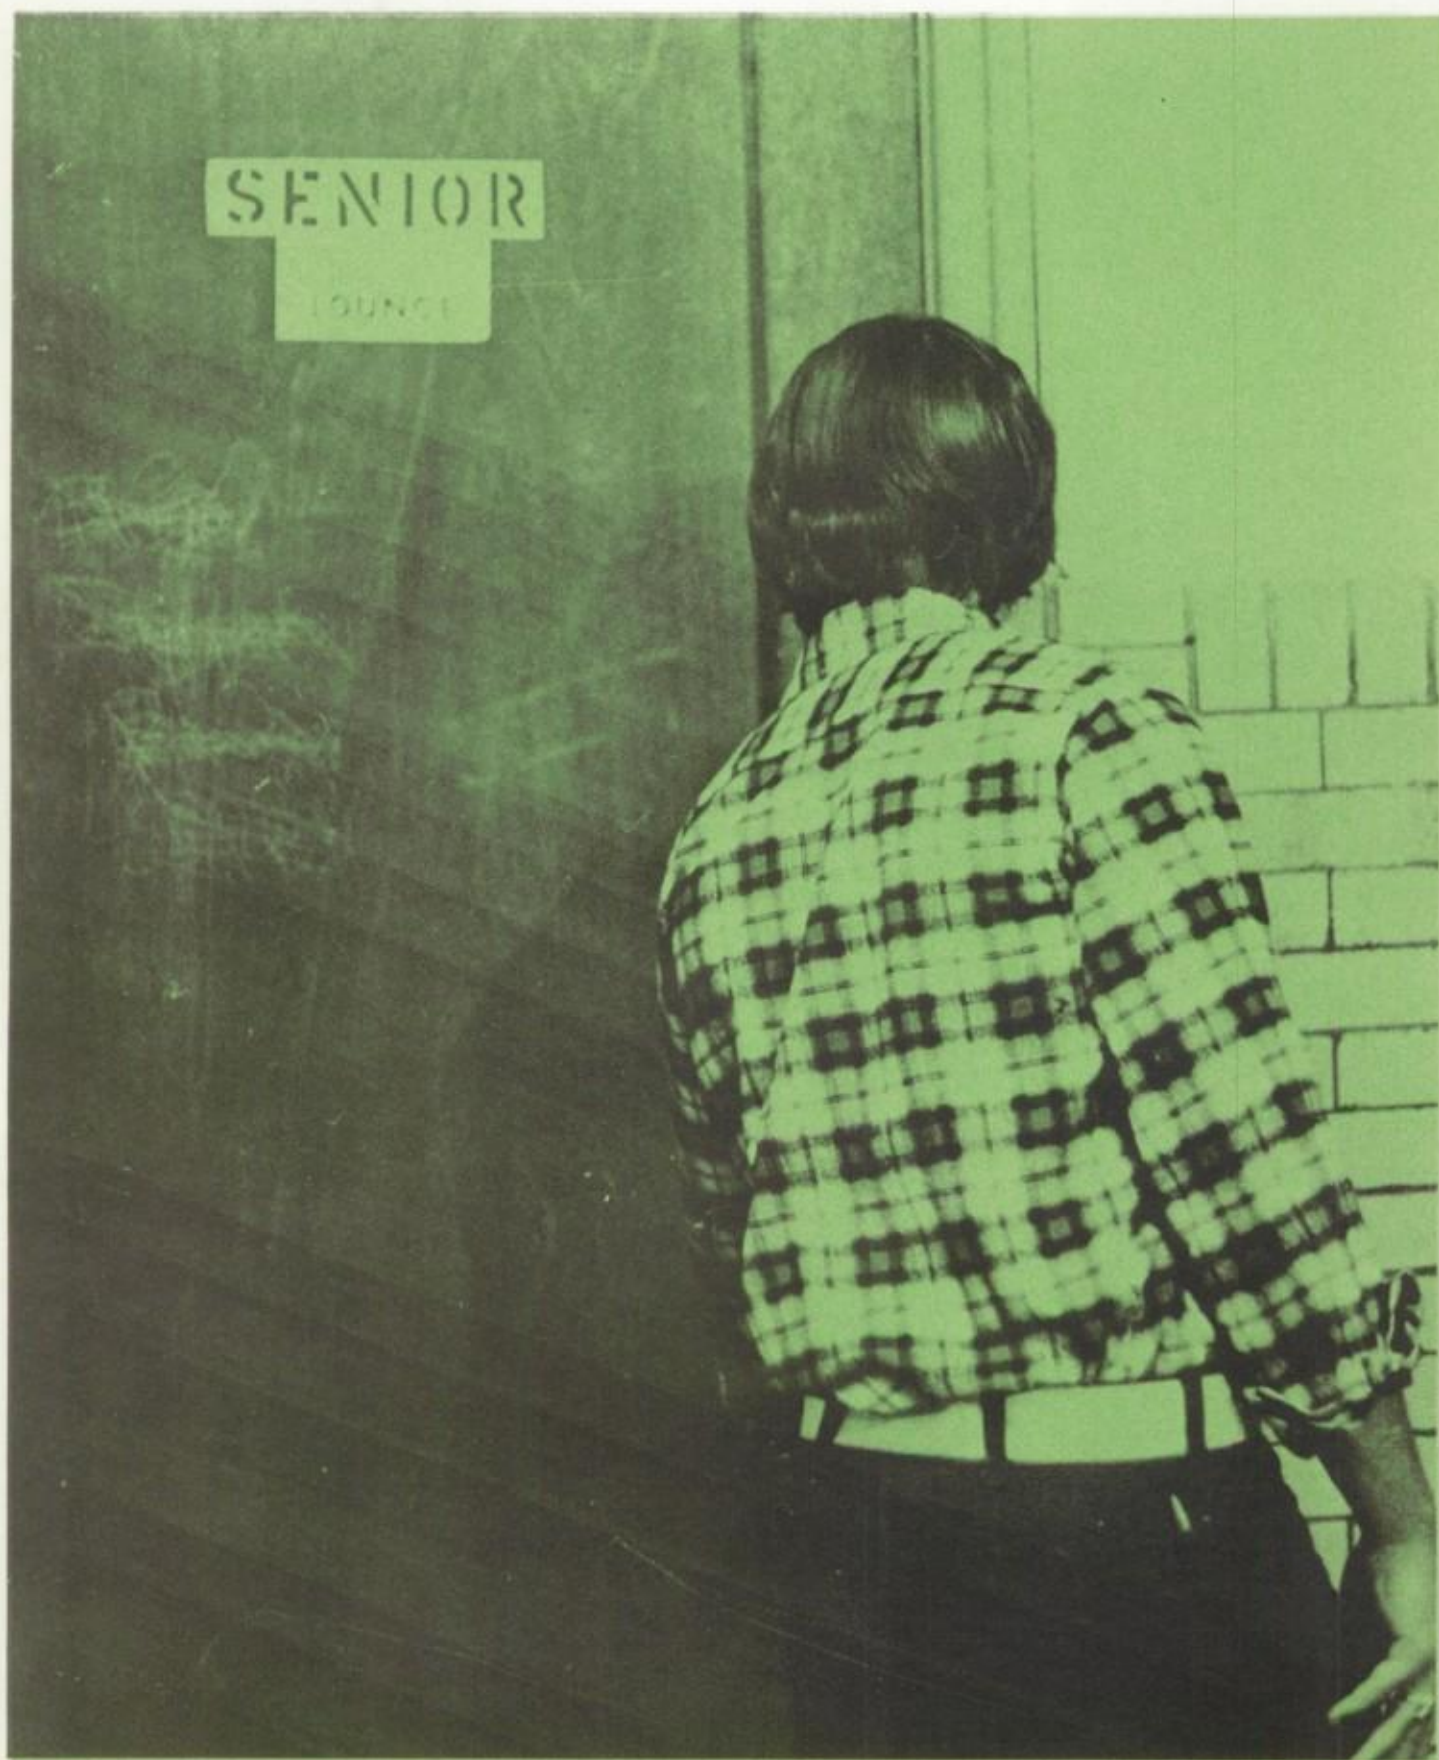

Of the people in my past,
all the fading faces in a waking
dream, though they never
seem to last very long,
There are faces I remember
from the places in my past.

2

I said all the deadhead miles and the
insincere smiles, sometimes I can laugh
and cry and I can't remember why, but
I still love those...

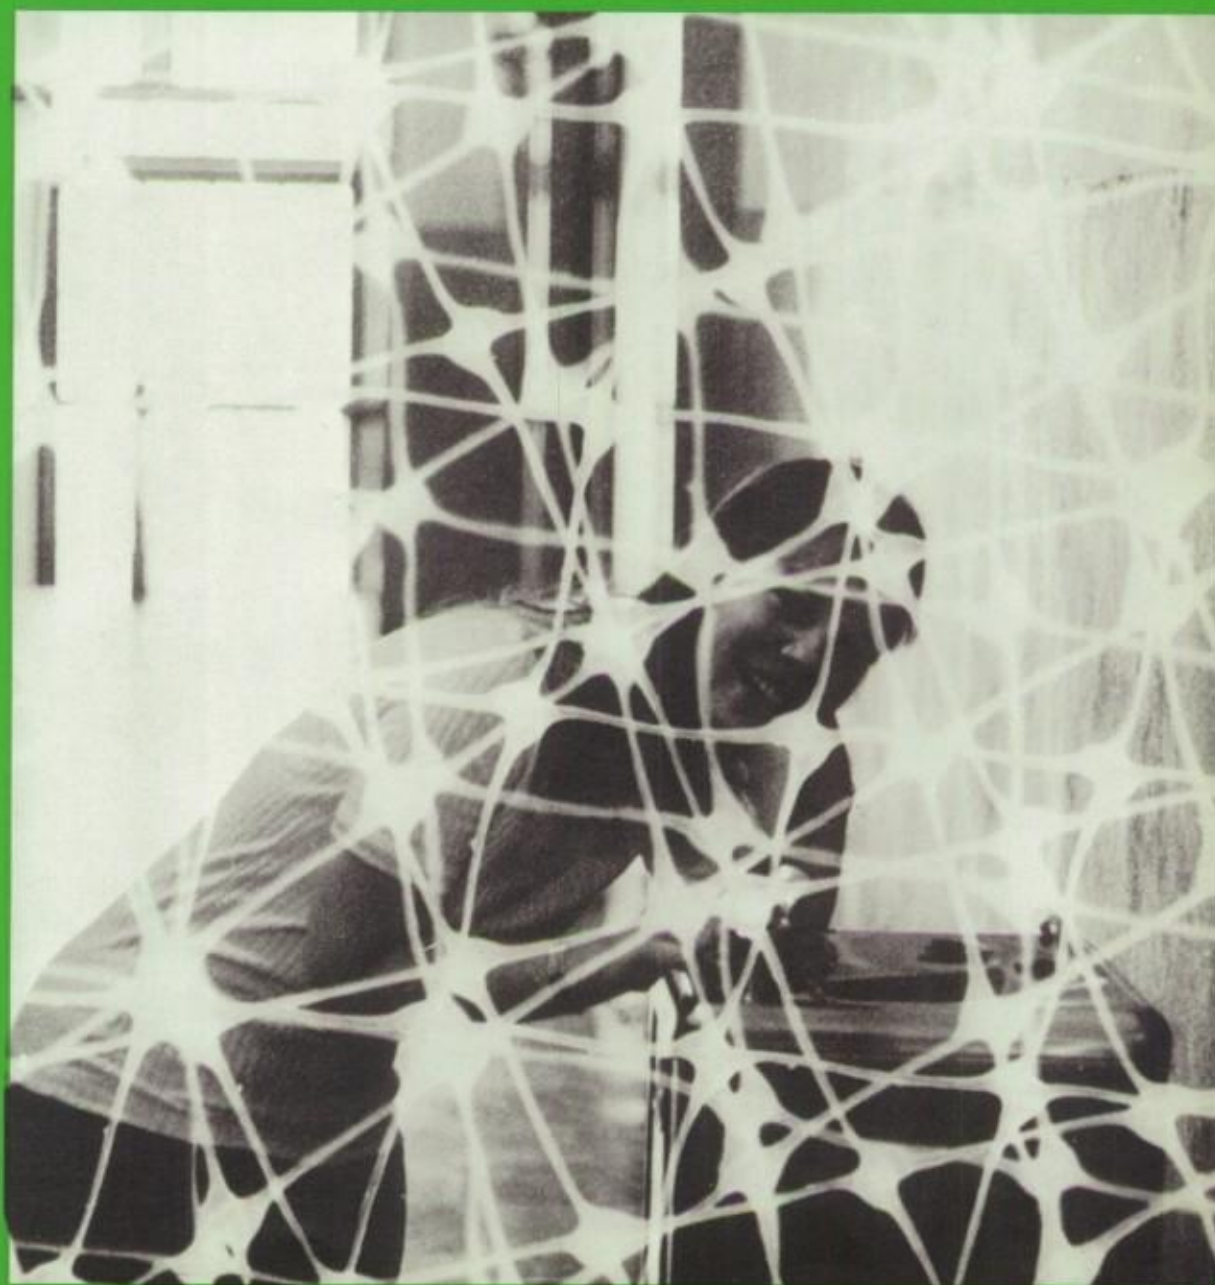

Good times
gone by.
Hold on to them
close or let
them go.
I don't know,

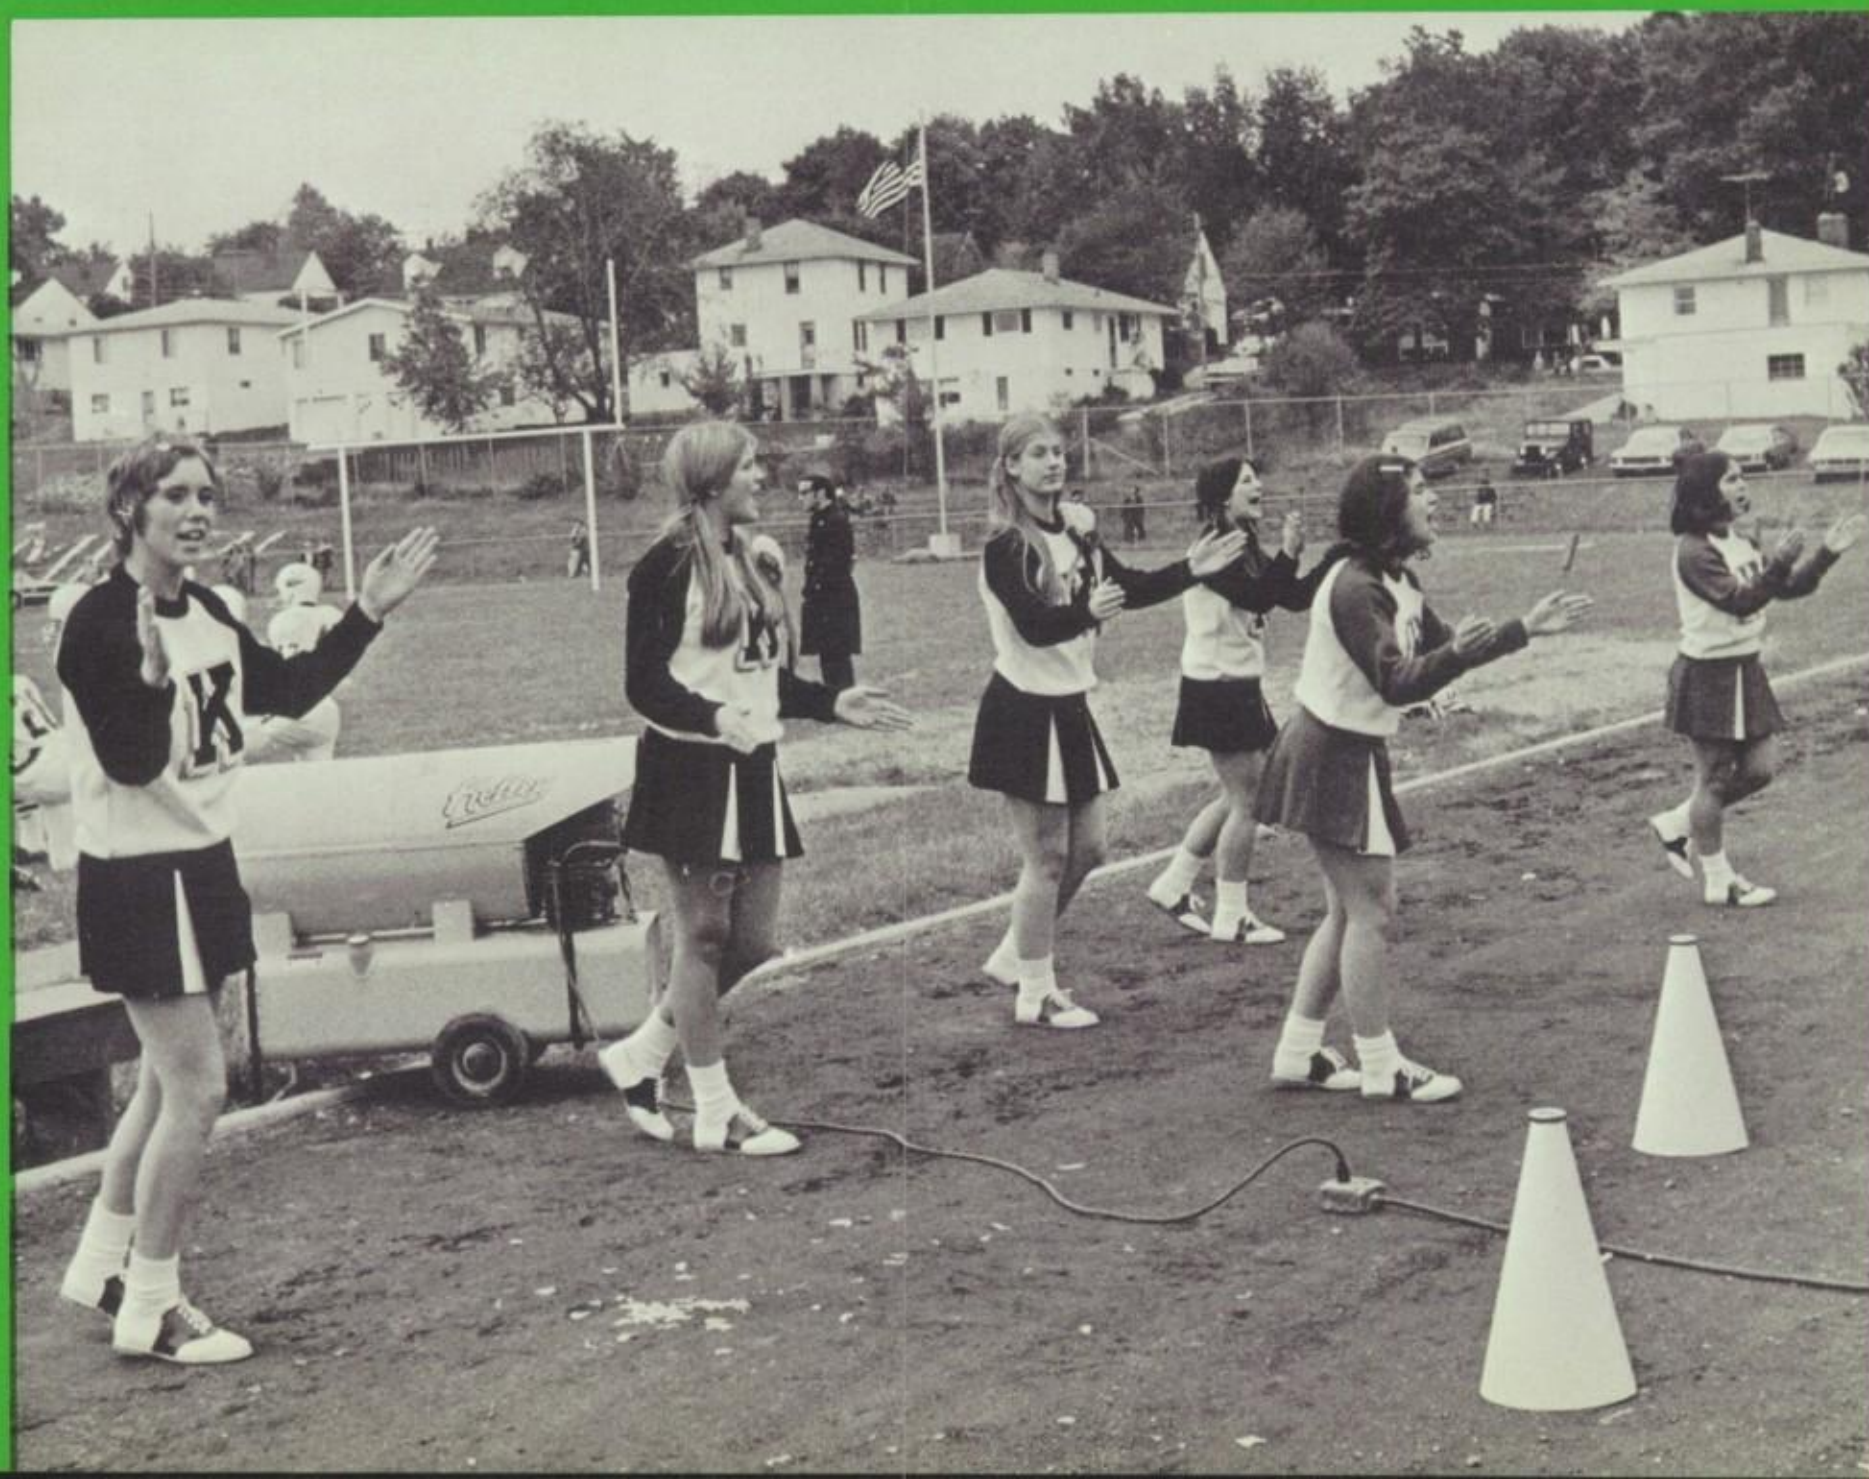

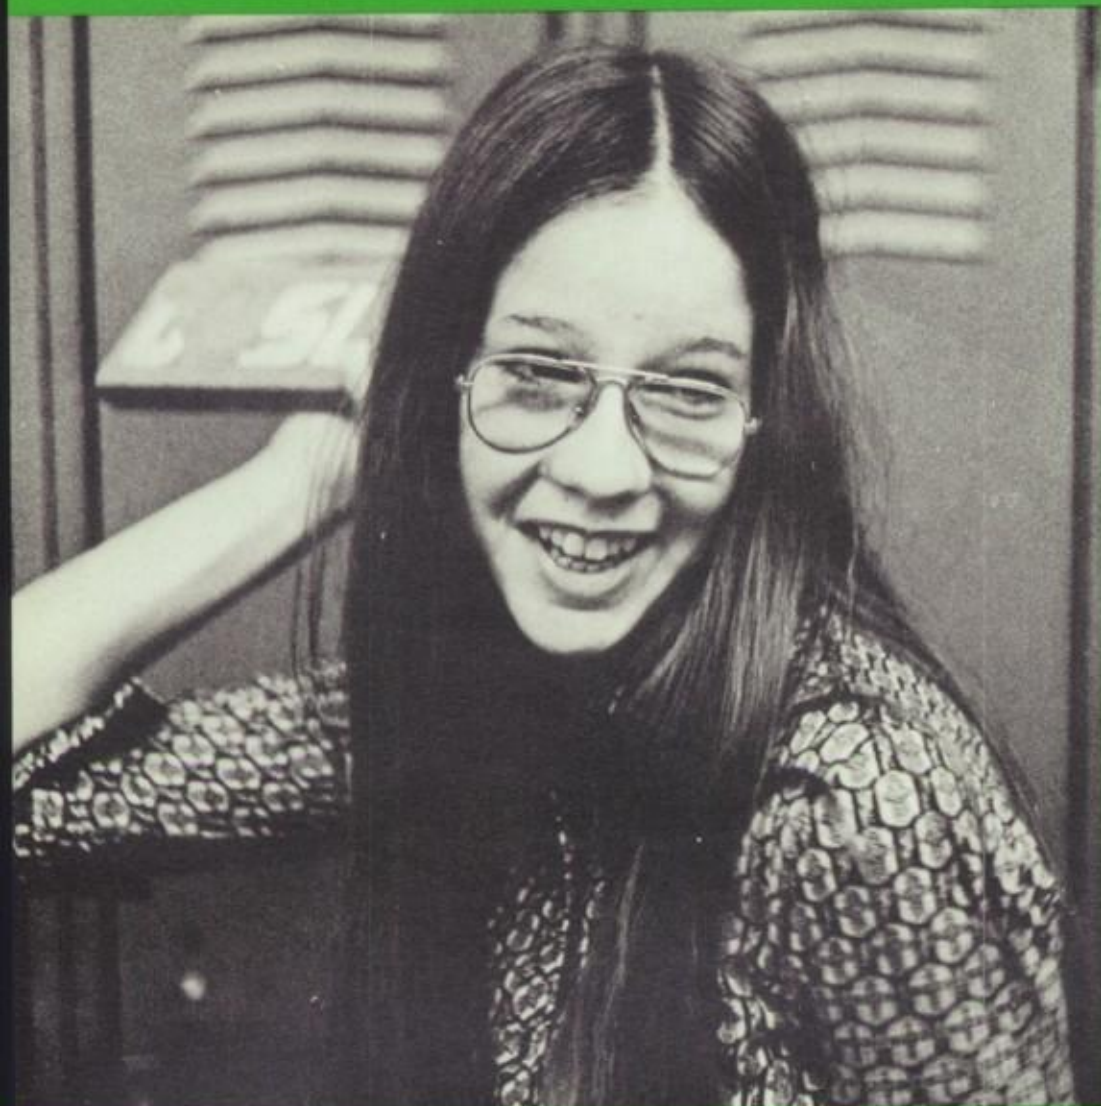

I just seem
to sing these
songs, and say
I'm sorry for
the friends I
used to know.

1972 CARDS

Since 1963 football has meant playoffs and Turkey Days for Kenmore. Seven of those last nine years the team has been in the City Series championships. To the dismay and disbelief of the Cards' ardent fans, students and alums alike, this year was different. The team suffered from inexperience, and waning fortunes lowered morale. The season record was 3-5. And so it became a building year for next fall. The bright light was the J-V squad's record of 6-1-1.

The wrestling team finished its best season in history. The Cardinals compiled a 6-1-1 record which brought the first City Championship trophy ever won at Kenmore.

After beating Firestone with a dramatic comeback, the Cards were crowned champs and entered Sectional competition. Six individuals from the team earned high enough places to enter the District Meet. They were Jim Militano, Lynn Leonard, Terry Harper, Joe Kostko, Frank Oreolt, and Dennis McAviney. McAviney really came on strong in the Districts as he was the only Kenmore wrestler ever to make it to state competition.

Vince Harrison, Bill VanLieu, Randy Campbell, Jim Taylor, Mike Wintrow, Gordon Wellsby, Jim Leonard, Paul Murray, Bob Lambes, and Keith Neely round out the varsity team, one that has risen from the depths of a 2-6 record to the city championship in a single year.

Here at Kenmore we know our cheerleaders are tops. During the summer before school started they attended cheerleading camp in Michigan. The Varsity, finishing in third place for that session, was qualified to return for the Grand Nationals and was named one of the top twenty squads in the nation. Along with this, our girls always rate high in city and tri-county competition. Mrs. Wangler was this year's new cheerleading advisor.

Something new was the boy cheerleaders who added a great amount of spirit to our student body. As you will see as you turn the page some of the boy cheerleaders were different for football and basketball. On the Junior Varsity there were six girls and on the freshman squad there were seven, another change this year.

Remember those Rubber Bowl Games?

A new edition to our band and majorette line was the flag girls. They performed with the majorettes to such tunes as the "Candy Man" and the "Coca Cola Song". The majorettes and flag girls often coordinated their new outfits. They raised money for these, which consisted of a blazer and hot pants not shown in these pictures. We would like to say thanks to these girls who did such a good job in entertaining our student body and community.

Andy Couch, Drum Major

Our band works hard during the summer and at band camp to provide us with the best of music at our pep assemblies and football games. They also marched in the Soap Box Derbys.

This year the band had many money making projects to raise money to send them to Montreal in the summer. Some of these were paper drives, selling Tupperware, submarine sandwiches, and candles.

The band is under the direction of Mr. Vitt. Andy Couch is this year's drum major.

Our band usually would go up to the football field to practice during homeroom and first period. They worked hard and sacrificed much of their time for our enjoyment.

Mr. Vitt, Director

BRASS CHOIR

The brass choir is made up of members from the band. Their instruments include trumpets, French horn, baritone, trombone, and tuba. They perform for the Christmas program. In addition to Christmas music they also perform interesting arrangements of music in a variety of styles.

Student Council is an active organization in our school. A certain number of students are elected at the end of the year to represent their class after they have taken out a petition, made a speech, and the class has voted for their choices. During the year they make Thanksgiving and Christmas baskets, sponsor singing Christmas and Valentine cards, take charge of the annual City Cheerleading Competition, sponsor the Spring Dance and promote Spirit Week in our school to name just a few. Every member works hard and many times their efforts go unnoticed, but without this fine group of students our school could not get along. Mr. Beard is their advisor.

Teambackers is a group of about 100 girls who promote the spirit in our school every week for every sport during the year. The girls have different committees for each sport. They decorate the lockers, cafeteria, halls, teamroom, and make signs. They also bake cupcakes or buy candy to give to the players on Friday during homeroom or at pep assemblies. The girls also present special awards. They sell ribbons, buttons, shirts, and other things to finance their costs. Ecology Club — What is it? A new club that's different from others. Not only environmental problems but students that are feral dogs, streams that are mud holes and young people that are finding out what it's all about and who care enough about their friends to spend some of their own time to make a better and happier world. A teacher who's someone special — who cares to devote his strength to the club; concerned people who happen to care about their environment . . . Plain, pure and simple.

P.A. STAFF

The P.A. staff consists of two hard working boys who bring all the announcements to us during homeroom each morning. They keep us informed of the coming events, daily schedules, and important news around the school.

The Girls and Boys Glee Clubs both meet once a day. They perform at the assemblies along with the Select Choir and the other vocal groups. The boys all wear dark blue jackets, black pants, and a white tie to give them a unified look. Mrs. Thomas directs them. With the great amount of talent these two groups possess they can perform with depth and variation in their vocal selections.

Kenmore's finest, that's the Madrigals. Tryouts are held at the end of the year, and only the best singers are selected. Each year they always have beautiful outfits to compliment their great vocal abilities. Along with singing at our own assemblies, they sing at special dinners, meetings, scheduled events, and are invited many places as special guests. Talent like this at its best takes a lot of time and hard work. As you can tell just by listening to them they have proven their goal to us!

"THE MUSIC MAN":

On February 23 and 24, our auditorium was filled as the Music Department brought to us a truly enjoyable musical entitled "The Music Man." Mrs. Thomas and Mr. Vitt directed this production. The orchestra and band provided us with the delightful music. The leads were held by Ron Caley who played Harold Hill the traveling salesman, and Pecky Pearce who was the librarian Marian Paroo. The beautiful scenery added that special touch to success of the musical. This will long be remembered as one of the best musicals performed here at Kenmore.

Winthrop can't say Amaryllis because he has a lisp!!!

Our journalism department works hard all year. In the Yearbook staff two students were assigned to a section, and many hours of typing, writing copy, and making layouts are put forth. Those that do not work on a section have other important jobs. This year we worked toward making a unique yearbook to provide you with everlasting memories.

The Newspaper staff did a fine job in finding stimulating stories and articles for their publications. They publish the paper throughout the year and those ordering a yearbook received it free. Mrs. Maher, who is the advisor of both of these staffs, was always there when we needed her, which was most of the time.

The Litart staff decides on literature and art work to be published in the Anthology. They put together this book which consists of the works of the students of Kenmore, and sell it at a small fee. The staff was chosen from a number who applied during the year. Cash awards are given to those students whose entries are chosen as the best ones. Mrs. J. Williams is this year's new Litart advisor.

The Senior Class Presents

The Senior Class Play, "Out of the Frying Pan" by Francis Swann was presented November 17 and 18 under the direction of Mr. Ronald Allegree.

A three act comedy, the play was the story of six young struggling actors who share the same apartment. Their attempts to perform for a Broadway producer living in the same building as they do result in a "murder", a secret marriage, an escaped lunatic, and almost three hours of unforgettable entertainment.

The "group" talks over upcoming plans.

Behind stage right before curtain time, Wanda Wilkerson patiently gets those finishing touches.

Ron Caley thinks the situation over.

David Newman peaks through the doors at Theresa Hamilton, Michelle Johnson, Jan Connatser, and Mary Woodliff.

UNDERCLASSMEN

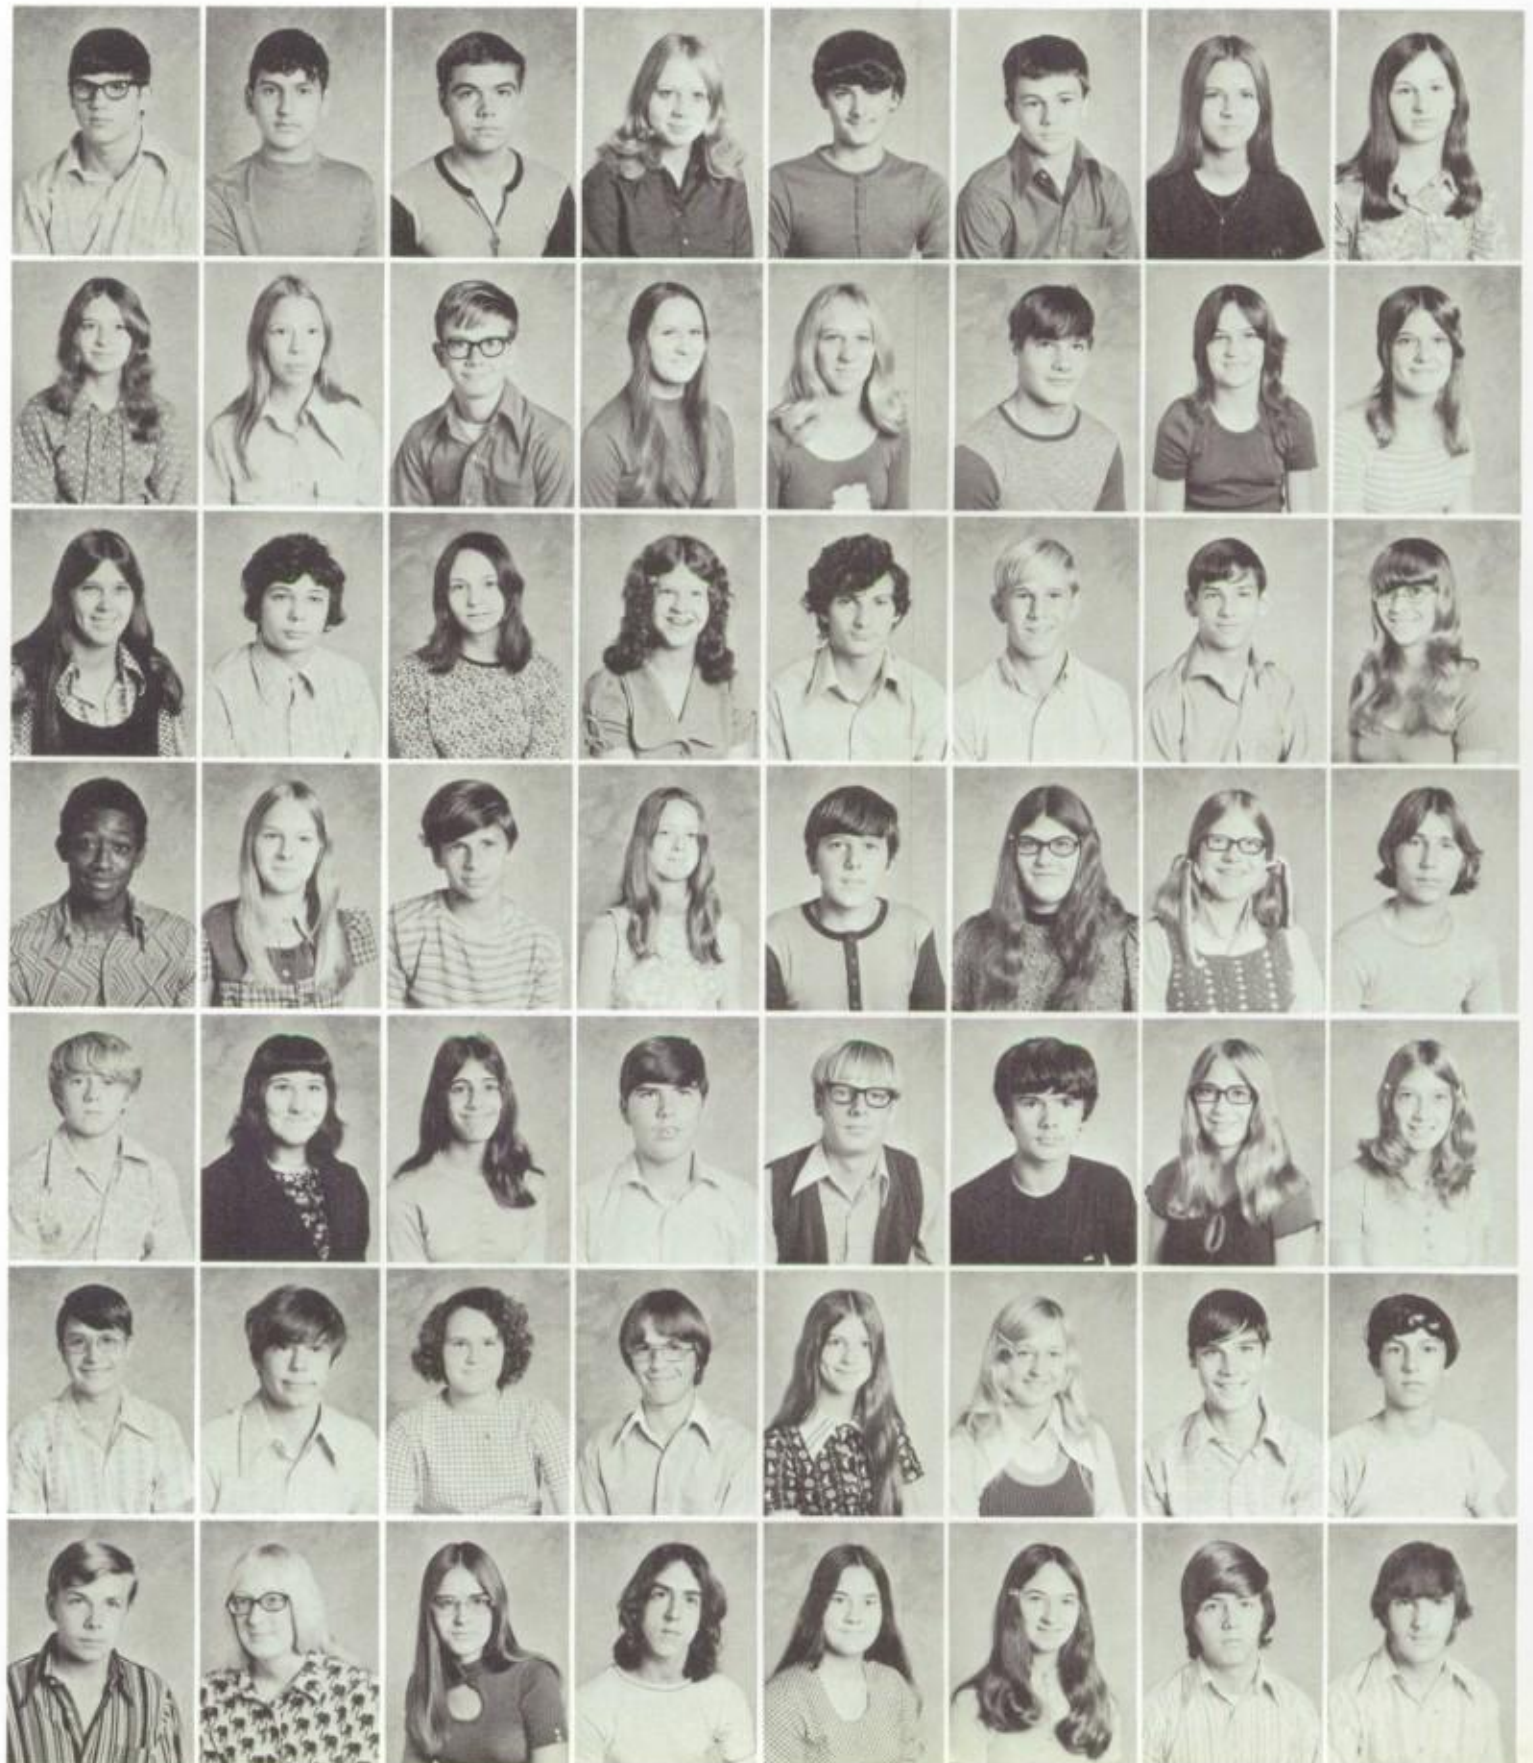

Even though we're a little younger,
That doesn't mean we're not the best.
We attend all the games and things,
And try hard to be as the rest.

Maybe we aren't the seniors yet,
But soon we will be the graduate class.
And we'll look back to the high school years,
Saying: "My, they sure went fast!"

Judy and Stephanie relax over lunch.

Don't try to hide now. We see you Debby.

Is Bruce bringing his teacher an apple?

Abominable Snoopy

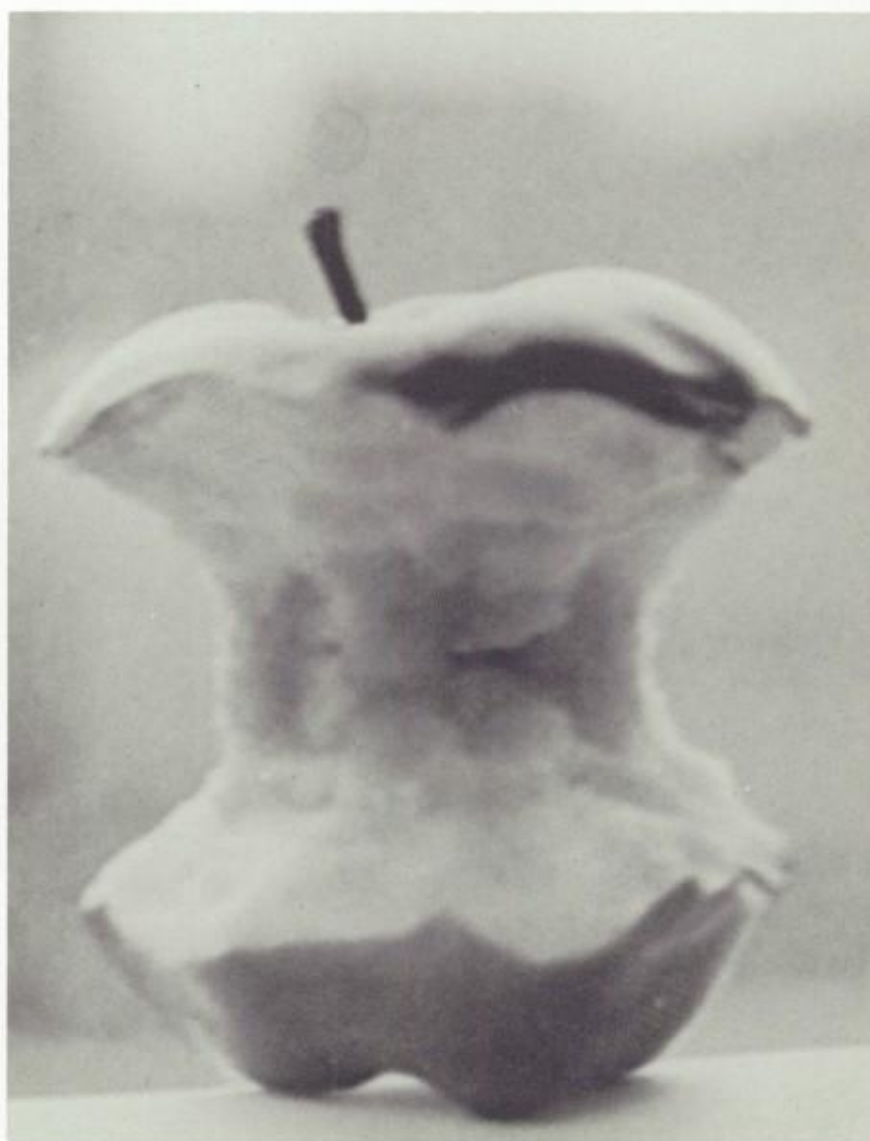

Who could Sherry be looking at?

The Apple

Eat it, and you will taste more than the fruit.
The blossom, too,
The sun, the air, the darkness at the root,
The rain, the dew,
The earth we come to and the time we flee.
